Forks High School has a strong desire to improve how we do things when we see something we can do better. As we continue to address school culture, set high standards for teacher performance, increase academic expectations for all students and provide support systems to assure they are met, and engage the community, we will deliver a high quality and meaningful education for each and every one of our students preparing them to be college or career ready.

We look forward to the successes and challenges of the 2022-23 school year and will work hard to ensure that Forks High School will be recognized as a school that provides a productive and safe learning environment that sets their students and teachers up for success as we strive for excellence!

We hope you visit our website to give you a quick snapshot of life at our school. Please explore our links to find out more about curriculum, programs, and daily events at Forks High School. (https://www.qvschools.org)
