

How Would Levy Dollars in Quillayute Valley School District Be Spent?

The February 14, 2017 maintenance and operation levy is a replacement levy, not a new levy. It renews the current levy, which expires on December 31, 2017, and will maintain levy funding for the Quillayute Valley School District for four years, 2018-2021. The levy will provide approximately 13% (\$3,902,448) of the total annual budget of \$29 million. The funding supports a variety of maintenance and educational programmatic needs. With the collection of \$714,304 of local taxes, our schools would receive an additional \$3,188,144 of Local Effort Assistance (LEA) state funds annually from 2018-2021.
