ATHLETIC AND ACTIVITIES HANDBOOK

2018-19 SCHOOL YEAR
Respect, Integrity, and Commitment

**WELCOME TO QVSD
ATHLETICS and ACTIVITIES DEPARTMENT**

Dear Parent / Guardian and Prospective Athlete:

Welcome to the Quillayute Valley School District (QVSD) Athletic and Activities Department. I look forward to getting to know you as you progress through our athletics programs.

This handbook is designed to provide information about the QVSD athletic programs available to you. It also serves as a guide for all athletes, parents and coaches.

Successful athletic programs have specific goals. They include: a positive experience for every athlete and a great sense of camaraderie and unity within their team; an environment that ensures high ethical standards and expectations for fairness, equity, and sportsmanship for all of our student- athletes and coaches.

As a coach, it has always been my belief that there is a big difference between athletic teams and athletic programs. A successful program includes dedicated coaches, active support from the student body, outstanding leadership from school administrators, and most importantly, a great sense of pride fostered by the entire community. It will be our mission to facilitate all those facets together to create the best athletic programs possible.

With Spartan Pride,

Kyle Weakley
Asst. Superintendent/AD
