**MEMORANDUM OF UNDERSTANDING
EXTRA/CO-CURRICULAR POSITION
2021/22 through 2023/24**

In the event that an extra or co-curricular stipend position, identified in Appendix L - Q, remains unfilled by a certificated staff member and good faith effort has been made to fill the extra or co-curricular position with a certificated staff member, the extra or co-curricular position may be filled by a willing classified staff member for the remainder of that school year.

The extra or co-curricular position will open for certificated interest again the following school year. If there is no interest of a certificated staff member, the classified staff member assuming the position the previous school year will have the first opportunity to assume the position for the current school year.
