

District Core Covenants

Respect

Integrity

Commitment

The Quillayute Valley School District has high expectations for our staff and students. We have established Core Covenants, used as a general guide for all staff and student behavior. Student behaviors will reflect the District Core Covenants of *Respect, Integrity, and Commitment*.

Core Covenants:

Respect—We believe that everyone matters. We honor ourselves, each other, our team, our school and our community. We believe in Forks and we treat each other with great respect. When we are at other schools and in other communities, we show them the same respect we do toward each other. We are polite and speak in positive terms about each other.

Integrity—We believe in doing the right thing even when no one is looking in support “of ourselves, our school, and our community.” We are honest and truthful with ourselves and others. If we make a mistake, we admit and commit to doing better.

Commitment—We believe in dedicating ourselves to our work. Everyone, everyday, and everywhere. Commitment is defined as active participation, being present, following through, and having an above and beyond attitude at all times.

We strive to align our behaviors to our Core Covenants for the betterment of ourselves, our school, and our community. We are proud to be known as a member of the Forks community.

Academics

Build a Climate

Communication

District A, B, C Goals:

Academics: Build a culture of high expectations to increase the academic success of every student.

Building a Climate: All schools will provide a safe and mutually respectful environment for high levels of engagement and success.

Communication: Provide timely and accurate information to students, parents, staff, and community.
